If because of the 2019-2020 COVID related issues, such as governments restricting your/our ability to move, sail, take a plane or travel here is our policy :

- If we cannot sail for the trip, we will offer you to join for a similar trip, at the same price, for the next following 24 months. If we cannot agree to find a suitable new schedule after 6 months we will refund 100% of your money.

In both case/situations you will be allowed to take accommodation on board, as long as the boat do not have to sail, and until you can catch the first flight which can get you back home. Accomodation is for free, you will just have to pay your part for the food/fuel/harbour fees for the duration of your stay.

Deposit/Cancellation Policy *

By checking 'agree' below, you agree that you have read and understand the following deposit/cancellation policy. Once your application has been approved (usually immediately, unless we're at sea and unable to respond via email), you'll receive an online invoice for 50% of the total trip fee. This is due immediately in order to officially reserve your crew space, and is non-refundable.

If your application is denied (extremely rare), you will be notified as soon as possible and you will not be issued a deposit invoice.

If you give written notice of your cancellation 60 days before departure, you will not be billed for the final 50% balance.

If, after you've paid the final balance payment and still decide to cancel for whatever reason, and we are able to re-book your berth, you will receive a full refund. You understand that within 60 days of departure, no refund or credit can be made for any reason including illness. You understand that there are no exceptions to this policy.

You understand the importance of trip cancellation insurance, which is your own responsibility to obtain.

By checking 'agree' below you agree to all of the above.
